## **Meet Your Neighbor**

Mary June, and the late Burgess Parks moved into unit #418 in February of 1999. Most of their married life was spent in Frankfort, where Burgess was superintendent of schools, and Mary June was Regional Manager of Investors Heritage Life Insurance Company. Mary June also worked as a prolific writer of six books on natural healing, was a gifted speaker in the U.S. and Mexico, and a TV personality. After Burgess died in 2001, Mary June continued to prosper in the company of her four-footed furry felines. To keep fit, you will find Mary June briskly walking the neighborhood nearly every day, weather permitting. She is well known, a lovely lady, deeply admired, and dearly loved. And ... she never meets a stranger.

**A Note From the Editor:** We have had our first taste of Spring this week, and the sunshine feels wonderful! The crocus and daffodils are up, and it won't be long before the blooming begins. It reminds me of the age old saying: ***Bloom where you're planted.*** The idea is to make the most of our lives, right where we live. I feel truly blessed to be living in our little community with such lovely people for neighbors. I have made many friends in the three years I have lived here, so I must agree with whoever said ... ***friends are like flowers in the garden of life.*** They bring a sweetness to each day with their cheery smiles and warm conversations. You can't have enough friends. They send you cards, they invite you over, they bring you food, they give you hugs, they encourage you when you're feeling down. And every one has their own special way of making your life just a little better. If you haven't yet met everyone in our close-knit community, be neighborly! Take a walk down the street, and introduce yourself to someone you don't know. And by all means, (you ladies), make it a point to attend some of the socials that are on the calendar. Our social committee has listed the first three events in the box below. Maybe the men would like to plan a golf outing, or a guy-thing . Let me know, if you are interested. We can set a date, and publish it in the next newsletter. Any takers?
